Transforming Teacher Education: Landmark Infrastructure Upgrades at Kanku Vijay College of Education
In strict alignment with National Council for Teacher Education (NCTE) norms for the Integrated Teacher Education Programme (ITEP).

Over the last quarter, Kanku Vijay College of Education has achieved a major milestone in academic and infrastructural excellence. To fully meet and exceed the rigorous NCTE guidelines for the prestigious Integrated Teacher Education Programme (ITEP), the college has rapidly expanded its footprint, rolling out state-of-the-art facilities designed for holistic educator training.

1. Advanced Academic & Research Labs

To foster digital-first educators, our technological and psychological training labs have undergone complete modernization..

Upgraded ICT Lab: Equipped with high-speed computation setups, updated software, and multimedia equipment to train future teachers in modern pedagogy and blended learning workflows.

Upgraded Language Lab: Re-engineered with modern audio-visual teaching aids and phonetic software. This facility helps trainees master communication skills, an absolute prerequisite under modern ITEP standards.

Upgraded Psychology Lab: Fully updated with standard psychological assessment apparatuses, behavioral testing tools, and learning resource models to provide hands-on experience in child psychology.
